SESSION BEST CASE, BEST SAVE & POSTER SESSION

We kindly invite you to submit a case description for
the session „best case, best save in breast surgery“

In our awarded session „Best case, best save in breast surgery“ five pre-selected cases will be presented by delegates. Further, from the scientific board selected abstracts will be accepted and presented as a poster in the exhibition area. We welcome submissions of abstracts for presentations in reconstructive and aesthetic breast surgery and in lymph surgery.

At the end of the session will be a live voting by the audience to select the best presentation. The best presentation will be awarded. Each presentation will last six minutes – 4 minutes for the presentation and 2 minutes for questions. The description of the case must be written in English and should be a maximum of 300 words. Please use our online abstract submission tool under www.Breast-Symposium.com.

The deadline for submission is June 5, 2022 authors will be notified in case of acceptance until June 12, 2022.
